

Greetings,

The “*Beautiful Feet*” project is founded by Rivers of Living Water Ministries International, a Chicago-based ministry. Our goal is to send **5000 pairs of shoes to the nation of Mozambique in Southern Africa**. This project will only be accomplished through the efforts of people like you who desire to make a difference.

In the United States of America, a common stylish problem is not knowing which shoe to wear on what day. In Mozambique there are limited resources to feed a family, while *beautiful feet* are important, there; it is just not a priority. Your contribution will allow families as well as orphans enjoy the basic needs for their *beautiful feet*.

The *kick off* date is **August 1st, 2008**, as the first shipment of shoes will be sent to the feet in Mozambique. Please give from your souls in shoe donations for men, women, boy and girl of all sizes. Monetary donations, such as check, money order, and gift cards are welcomed and will be utilized *solely* for the beautiful feet project.

Thank you for supporting the Beautiful Feet in Mozambique.

Blessings,

Apostle Stephen A. Garner
